#### Susan Hastie

Susan Hastie is the evening anchor for 922 Thursday – Friday. She had worked for the company previously under the supervision of Shree Conn and was welcomed back to the company in November of 2019.

Susan is an asset to 922. Susan has the gift of being able to relate to each client at their level, inspire their strengths, and support the areas where they need it. Each client is happy to see her when she comes to work. Susan shows up to work when scheduled, interacts with the clients, fixes food, and cleans up afterward, runs client's goals, and makes it look easy.

Susan provides a stable routine for the clients which is so appreciated.
